

## PDC 250 Crimper

Electric Single Head Coil Crimper

### Description

When crimping coil with crimping pliers just isn't practical anymore then you need to look at the PDC 250 Crimper for perfect and consistent crimping every time. The PDC 250 Crimper will automatically cut and crimp all Coil sizes between 8mm and 32mm. Setting the 250 Crimper is simple, just move the feed tray to suit the Coil size that you are using. Once set, insert one end of your document into the jaws and press the footpedal, then flip the book over and repeat the process for the other end. Perfect, consistent crimping every time.

### Features and Benefits

- **Easy Set up:** All adjustments are made by simple adjustment of the feed tray.
- **Accurate Crimping:** Achieve perfect crimps every time with the heavy duty crimping action.
- **Versatile:** The PDC 250 Crimper is designed to have the PDC Roll a Coil sitting on top of it, allowing the operator to insert the Coil and then quickly drop the document into the crimping head.
- **Robust:** All Steel construction gives many years of service.

### Related Equipment

- Roll a Coil
- Finish a Coil
- For double headed crimping see PDC 350 Crimper or the PDC Total Cut & Bend - TCB

### Consumables

- Coil available in 45 colours
- Coil sizes 6mm to 32mm

### Technical Specification

Dimensions (mm):	H 180 x W 370 x D 260
Weight:	10 Kgs
Power Requirements:	220/240v
Method of Operation:	Foot pedal
Safety Approvals:	CE/TUV
