

PDC Roll a Coil

Coil Inserter with FREE Crimping Pliers

Description

The PDC Roll a Coil is compact, robust and will insert all Coil sizes from 6mm up to 20mm. Roll a Coil features include, an integral Coil size guide and a forming channel, useful when binding thicker documents. The PDC Roll a Coil is operated by foot pedal, allowing both hands free to handle the document. A pair of Crimping pliers are included.

Features and Benefits

- **Diameter Selector:** Allows for easy selection of the correct size Coil.
- **Alignment Channel:** Use the alignment channel to form the document prior to applying the Coil.
- **Foot Pedal Operation:** Allows hands free insertion of coil.
- **Pitch Identifier:** Allows easy confirmation that the holes punched match the pitch of Coil.
- **Free Crimpers:** A set of crimping pliers are supplied with each machine.
