

## PDC Finish a Coil

Electric Adjustable Coil Inserter

### Description

New to our range, the PDC Finish a Coil Inserter features adjustable feed rollers allowing insertion of Coils from 6mm up to the largest diameter, 32mm. Compact and robust it's features include, an integral Coil size guide, a pitch identifier and a forming channel for larger documents. The PDC Finish a Coil is operated by foot pedal allowing the operator both hands free to hold the document. Also include is a handy storage compartment for your Crimping Pliers, which are supplied free with the machine.

### Features and Benefits

- **Adjustable feed rollers:** Rollers can be adjusted to accept all Coil sizes from 6mm up to 32mm
- **Diameter Selector:** Allows for easy selection of the correct size Coil.
- **Forming Channel:** Used to shape the spines of thicker documents, prior to applying the Coil.
- **Foot Pedal Operation:** Ensures that both hands are free to hold the document whilst inserting the Coil.
- **Pitch Identifier:** Allows easy confirmation that the holes punched, match the pitch of Coil.
- **Free Crimpers:** Each machine is supplied with a set of Crimping Pliers.
- **Storage Compartment:** An integral storage compartment for your Crimping Pliers.

Electric Adjustable Coil Inserter

### Related Equipment

Should you require a highly robust high volume Coil inserter then take a look at the HD4170. The Finish a Coil is an ideal companion for the 350 Electric Crimper or the TCB (Total Cut & Bend), as it will sit on top of either device.

### Consumables

- Coil available in 45 colours
- Coil sizes 6mm to 32mm
