

PDC Coil Mac

Manual Punch, Electric Inserter

Description

The Coil Mac is the best ever low volume Coil Punch, Insert and Crimp solution. A compact machine, the Coil Mac has all the features needed to Coil bind documents up to a size 20mm Coil. Featuring a robust (manual) punching action with disengageable punch pins, means you will be able to punch virtually any paper size. The integral electric Coil inserter is operated by a footpedal giving complete control when inserting the Coil. Finally, the Coil Mac comes supplied with a free set of crimping pliers which will cut and bend the end of your document, ensuring it is finished and secure. So whether you want to punch standard A4 paper or an A3 document, the Coil Mac will do it.

Features and Benefits

- Adjustable edge guide, allows for easy alignment for virtually all paper sizes.
- Selector pins can be quickly disengaged helping alignment of different paper sizes.
- Open ended punch throat and punch locator pin will allow punching up to A3 (420mm).
- Electric roller inserter allows for hands free and speedy insertion of Coil.
- All metal construction of the Coil Mac provides for longer life and greater durability.
- All Coil Macs are supplied with a free set of crimping pliers to ensure accurate and secure finishing.
