

## PDC OD4800

Manual Punching With Interchangeable Dies - FREE STANDARD DIE INCLUDED

### Description

The PDC OD4800 is the base unit in the new range of Rhino Tuff punches, exclusively available from PDC. An A4 punch that allows you to change dies according to the type of binding that you wish to achieve. Ideally suited to the lower volume market where different styles of document presentation are required. The range of dies available include Coil, Wire, Comb and Velobind.

### Features and Benefits

- FREE Standard die included.
- An industry first a manual punch with interchangeable dies.
- Die pins are easily accessible allowing many different paper formats to be punched.
- Punching capacity up to 12 sheets of 80gsm, number of sheets depends on punch tool used.
- All dies are open ended so that sheets wider than A4 can be punched.
- Die removal is quick and simple with no tooling required.
- Ergonomically designed 'Easy Pull' handle, reducing fatigue on longer punching jobs.

### Technical Specification

Dimensions (mm):	H 229 x W 582 x D 553
Weight:	18.2 Kgs
Power Requirements:	N/A
Method of Operation:	Manual
Safety Approvals:	CE/TUV
