

PDC OD4012

Desktop Electric Mid Range Punch - INCLUDES FREE STANDARD DIE

Description

The OD4012 is another Rhin-O-Tuff punch built to last and competitively priced. The OD4012 is ideally suited to the busy office and small copy shop environments. Simple to use electric footpedal operation makes light work of all Coil punching jobs. Interchangeable dies even allow you to undertake other binding styles such as Wire or Comb binding. The OD4012's flat top design allows you to place your choice of Coil inserter for ease of use and to minimise space.

Features and Benefits

- FREE Standard Die Included.
- Manual and auto reverse feature that prevents jams.
- Punch capacity up to 20 sheets of 80gsm. Punch capacity depends on paper weight and punch pattern used.
- Smooth quiet power on demand operation.
- Large capacity U - View waste tray.
- Rated at 60 cycles a minute.
- Uses A4 Dies with open sides for wider sheet punching capability.

Technical Specification

Dimensions (mm):	H 165 x W 406 x D 457
Weight:	21.8 Kgs
Power Requirements:	230v 50Hz
Method of Operation:	Foot pedal, Palm switch & Sidelay micro switch
